Term 3 Issue # 11

Thursday 20th August 2020

Student Absence Line:
0437 482 159

Important Dates to Remember

- Life Ed Van Incursion—Week 7 (31 Aug—2nd Sept)
- Science Week—Week 8 (7th—11th Sept)
- Pearsall Faction Carnival—Friday 18th September
- School Photos - Thursday 24th & Friday 25th September
- Last Day of Term 3 Friday 25th September

From the Principal...

Assemblies

Class assemblies this term started with the Year 4 students from Mrs Hodgson's class who provided a very informative STEM based presentation. We hope that once Phase 5 guidelines are in place that we will be able to have parents watch assemblies.

Parent Interviews

Staff recently held interviews for parents and caregivers to meet and get an update on their child's progress. These meetings went very well and were an opportunity for parents and teachers to assist the students to set goals in moving forward.

2020 Faction Carnival

This will be on **Friday 18th September**. Our students have started training for this fun day. It will be important that all children have a faction polo shirt for this event. If your child does not know which faction they are in please check with the office.

2020 School Photo Day

School Photo day is scheduled for Thursday 24th and Friday 25th September. Order forms have been distributed to students this week, please check their bags as the form contains the individual child's shoot key that will need to be entered online when you order the photos. It is important that you don't lose this number.

Science Week

Science Week happens in week 8 from the 7th to the 11th of September. During this week **Scitech** will be visiting our school and students will be participating in fun and interesting Science workshops.

Bushfire Plan

We have recently updated our bushfire plan as we prepare for the upcoming hot weather. This plan will be on our website.

New Website

We have just had our website updated with lots of lovely photos of our students. It will be launched any day now. Watch this space.

8.45am

Families Leaving the School in 2021

As we begin our planning for next year, we would appreciate hearing from families in Kindergarten to Year 5 who will not be returning to Pearsall Primary School in 2021. Please contact the office.

School Review

A Public School Review will take place in Week 7 of next term. The school has examined six areas of school running. Data has been collected and placed onto a Department based program. The school Review is one aspect of the continual self reflection that takes place in the school. The public School occurs every three years to review the School Business Plan and the six area of review.

2021 Staff Planning

Staff planning will not be finalised until fourth term. Due to the large number of staff on maternity leave, who will be returning in 2021 we have not been able to construct a class structure with teachers allocations and will not do so until later.

SCHOOL PHOTO DAY INFORMATION

Our School Photos will be taken on:

Thursday 24th September 2019 & Friday 25th September 2019

Class Photos/Portraits:

- Every Student will have their photo taken, whether they are purchasing photos or not.
- The school has chosen to use the online ordering system. Your child will be given an online ordering instruction slip and a unique student shoot key. Log onto www.msp.com.au and follow the prompts to place your order.
- If you lose your shoot key the school admin office will have a copy to quote back to you. Please do not ring MSP asking for your shoot key.
- The expiry date for online ordering is the **1st October 2020**. Any orders received after this date will incur a \$30.00 fee. Late orders can be placed by calling 9240 8000 or emailing: reorders.perth@msp.com.au (You will need to provide your child's shoot key for security reason).

Family Photos:

- Envelopes can be obtained from the Administration office.
- Family photos will be taken on **THURSDAY 24th September** at 8am in the Undercover assembly area.
- Please ensure that your family envelope and payment are handed to the Photographers on photo day—not at the office.
- Please try to have correct money to give to the Photographer.
- Family photos **cannot** be ordered online.

Payments

Please note that all payments to the school can be made by **EFTPOS** in the front office or **Direct Deposit**:

Acc: Pearsall Primary School
BSB: 066040

Acc: 19904146
Put your child's initial, surname and reason e.g, J.Smith swimming.

You can combine the amount if you have more than one child.

Please note, Eftpos and Direct Deposit are for school related payment and not for P&C payments.

The Nature Play team

We were very excited to join with the Wanneroo Council in their regeneration project of local bushland areas. Ms Cannon's, Miss Benjamin's and Mrs Brown's classes helped to plant 700 Australian native seedlings in the bushland area next to the school. They were supported by our Year 4 Nature play leaders. All of the students soon got very busy and took great care in planting the little seedlings. What a wonderful job they did! We can't wait to see them grow and regenerate the area.

Champion Schools Cross Country

We had 45 students who wanted to represent our school in the Champion Schools Cross Country held at the UWA last Thursday 13th August. They can be congratulated on their efforts and how well they represented our school at this event. Well done!

September

National Consistent Collection Of Data

The Nationally Consistent Collection of Data on School Students with Disability (NCCD) takes place in August every year. **The NCCD is a collection that counts:**

- The number of school students receiving an adjustment or 'help' due to disability
- The level of adjustment they are receiving to access education on the same basis as other students

Students are counted in the NCCD if they receive ongoing adjustments at school due to disability. This 'help' allows them to access education on the same basis as a child without disability. The NCCD uses the definition of disability in the Disability Discrimination ACT 1992.

Schools provide this information to education authorities.

For more information about the NCCD data collection please see the Fact Sheet at <https://www.nccd.edu.au/sites/default/files/fact%20sheet%20for%20parents%20guardians%20and%20carers.pdf>

What is TikTok?

Is TikTok safe? How does it work? And can I do a duet with my child? With so many social networks to keep track of, it is not surprising if your child's obsession with the TikTok app leaves you scratching your head. So what is it exactly? For further information via the internet - [www.common sense media.org/about-us/our mission](http://www.common sense media.org/about-us/our-mission)

REINVENT YOUR RUBBISH 2020: FUTURE FOOD!

Enter the Green Team's annual Reinvent Your Rubbish Competition!
This year we challenge you to....

Re-invent or create something which reflects what sustainable food might look like now and in the future.

Some ideas:

- Create a new recipe using vegetable scraps or leftovers
- Make an upcycled worm farm
- Grow a food garden with homemade compost
- Create an ingenious way of storing food.

Use waste from home or school to be resourceful and creative!

This year you will submit your entry **electronically**, meaning you can utilise your own home and garden for this project. This could be photos, a slideshow, pic collage or an i-movie.

Entry forms are available on Connect or at the office. Please email your entry to Miss Benjamin at stephanie.benjamin@education.wa.edu.au Please attach the entry form with your final project. Entries will be judged and winners announced at an assembly. A connect post will go out showcasing all the wonderful entries that we have had. Prizes include Bunnings vouchers, reusable food packages and more!

Entries DUE: **Monday 12th October (Week 1, Term 4)- to give you enough time to get planting, growing, creating so if you want to enter, plan your time wisely!**

Follow the link for more ideas and information <https://www.switchyourthinking.com/our-projects/young-reinventor-of-the-year/>
