The Lantern Parade, mural, busking, jump jam, lunchtime activities and multiple art works all over the school were a credit to all staff. We hope to hold this event every two years.

Year 4 Lego Excursion

The Year 4s were very fortunate to go and visit the LEGO Relics exhibition, an immersive journey by LEGO Masters Series 2 Winners – Jackson & Alex. *The year is 2530. Humans have long since left planet Earth. After mistreating the natural environment for centuries, they were forced to seek a new home beyond the stars. What remains is little more than an abandoned pile of decaying infrastructure, appliances, and a scattered population of*

LEGO mini-figs. We took a tour of the Lego structures, built our own futuristic versions and went on a hunt to find the misplaced Lego mini-figs. Weather permitting, some students were also able to go to the Claremont nature playground. Lots of fun was had!

Cross Country

Our annual school cross country carnival was conducted on Tuesday 8th June, a very cold and windy day! Congratulations to all our students who participated in the races that took place. All students from PrePrimary to Year 6 were involved. It was lovely to see so many parents and carers supporting out students, who all did their best. Our faction captains all did a great job helping Mrs Wilson set up the circuits and run the day. The great news is that we raised over \$24,000 which will go towards funding for our School Chaplain, Lisa. We couldn't have done it without you!

A special mention to Year 5, Dem 4 who had the most profile pages, the student who raised the highest amount of \$1030 and to PrePrimary, Room 4 who had the highest class amount of \$2975!

**WINTER IS
COMING...**

Climate change means it's more important than ever to save water for when it's most needed. In winter, we can let nature water our gardens and switch out sprinklers off to make big water savings.

Winter Sprinkler Switch-off applies to all scheme and bore water users from 1 June to 31 August every year. Both businesses and households are included.

*Think Climate
Change.
Be Waterwise.*

Road Safety

Thank you to parents who model good road safety habits when dropping off in the mornings and collecting students after school. As we are very aware, parking around school is extremely limited. It is very important that drivers are patient, adhere to road rule and are aware of other cars, children and families moving around the school grounds and footpaths. Please avoid parking at the front gates and on any driveways.
