End of Term 2... Covid Update

As we heard from Premier Mark McGowan on Monday evening, the Perth/Peel area has headed into lockdown. We have communicated via Connect the procedures and processes underway at Pearsall Primary School to ensure the safety of all our students, staff and families and we thank all members of the Pearsall school community for their overwhelming support and ongoing compliance.

Our aim is always to keep you updated as early possible with situations and how they affect our school environment as they take place.

It has been difficult at times to coordinate staffing, with a number of staff away but it has been managed effectively. A special thank you to all of our staff who have continued to teach students and serve our school steadfastly through these unprecedented times.

As previously advised, all adults entering our school grounds must enter through the office.

It has been a very busy and long term, full of many events and I am sure we are all looking forward to relaxing over the holidays. As always, any change in circumstances will be communicated as quickly as possible via Connect.

Please stay safe and healthy and take care over the break.

Start of Term 3...

The expected starting date of Term 3 for students is **TUESDAY 20TH JULY**. The school office will be open on Monday 19th July. Please keep checking Connect across the holiday period to ensure you are kept updated of any Covid-19 related changes.

Semester One Reports

Reports will be sent out to parents today, Thursday 1st July via Connect. First semester reports are an opportunity to review the first half of the year and provide a measure of current progress. Semester Two reports at the end of the year will be a final summative result of the years curriculum learning.

Please take this opportunity to read through your child report with your child. Focus on behavioural aspects as attitude and behaviour in the classroom is most important. Ask your child how they enjoy subjects and what are their favourite. Set achievable goals for the remainder of the year.

Reports can be discussed with classroom teachers at the upcoming Parent-Teacher Interviews in Week 2 or Term 3.

HALF DAY CLOSE—Parent Teacher Interviews, Thursday 29th July

Parent-Teacher Interviews will be conducted in Week 2, Term 3 on Thursday 29th July. The school will close at 12.00 noon and parents will need to collect students. Camp Australia will be operating from 12.00 noon.

TryBooking online link for booking appointments close on Tuesday 20th July.

Lightning Carnival

Congratulations to our Year 5 and Year 6 teams who represented Pearsall PS with impressive sportsmanship and team work at the annual winter Lightning Carnival on Wednesday 23rd June at Kingsway Sporting Complex. This involved a full day of competition and fun against 8 other local schools, with nearly 100 Pearsall students take part in four different sports – netball, modcrosse, footy and soccer. The weather was beautiful and the day produced some outstanding team efforts with students encouraging each other and proving that by synergising with their team mates they could produce some excellent results. In particular we had a number of teams who were extremely successful. The AFL team, coached by Mr Bresland, went through undefeated, winning their section of the carnival. The netball teams, coached by Ms Cannon and Mr Poppas were also very successful in their divisions. All other teams performed exceedingly well. Thank you to all our parent helpers and supporters during the day.

Results:

Boys AFL – 1st (undefeated)
 Netball Div A – 2nd
 Netball Div B – 3rd
 Netball Div C – 1st
 Modcrosse – 3rd
 Soccer – 6th

I am very proud of the behaviour, attitude and team spirit that our Pearsall students showed.

**FROM THE GREEN TEAM:****Sustainability Garden Produce:**

Our fruit trees are bearing some fruits! The Year 1 students enjoyed fresh slices of lemon from our tree in their water bottles, as a refreshing uplift to their water.

**Healthy Winter Recipe To Try At Home:**

Hot Chocolate Banana Smoothie, the whole family can enjoy. This recipe makes 5 serves.

- 1L reduced fat milk
- 2.5 medium size ripe bananas
- 5 tablespoons rolled oats
- ¾ teaspoon ground cinnamon
- 2.5 teaspoon unsweetened cocoa powder

Combine all ingredients in a blender. Process for about 1 minute, making sure all oats are ground down. Decant into a saucepan for stove top heating or into individual cups for microwave. The mixture will thicken slightly due to the oats.

If you make this drink, feel free to send photos to Miss Benjamin, we would love to see you enjoying your warming hot chocolate.
