## COMING UP IN TERM TWO:

TERM 2 START– WED  
26/4

SCITECH INCURSION  
1/5– 4/5

### *Thank you for a fabulous Term One.....*

*As we come to the end of term One we can look back on a eventful Term filled with many fun and enjoyable activities. From In term swimming lessons in week one and two, Arts week open night, incursions and of course the Colour Run. We hope that all our families have a relaxing and restful break and enjoy their Easter with family and friends. We look forward to seeing you refreshed and ready for first day back of Term two, Wednesday the 26th of April.*

## Arts Week

*Congratulations to our Arts Week committee who organised an amazing Arts Week ! Here are some of our fabulous boot creations. All families went above and beyond to create some fantastic master pieces! Well done!!!*

## Colour Run

*A massive thank you to everyone for making our Colour Explosion Fun Run so much fun on Friday! The students had a wonderful time as we celebrated the end of Arts and Harmony Week while raising much needed funds for our chaplaincy program. We are well on our way to achieving our goal, lets keep up the great work! The great news is it's not too late to get in on the action! You can still keep fundraising until **midnight on THURSDAY 6<sup>TH</sup> APRIL**. Students will still be eligible for prizes. Simply create a profile [My Profile Page](#) | [My Profile Page](#) See photos over.....*

**NEW 2022  
TIMETABLE**

8.25am	Classrooms Open
8.40am	Siren for start of day
10.40am	Recess
11.15am	End of Recess
1.15pm	Lunch
1.40pm	End of Lunch
3.00pm	School Day Ends

**LOST  
PROPERTY**

-  
A box of lost property is located at the rear of the Admin building. Parents are welcome to check for items once gates open in the afternoons. Please ensure all belongings are clearly labelled.

**Running Club—Please note Term 2 change: MONDAYS !**

 **Science Week**  
 Science week will take place in Week 2, of next Term! This will include our Scitech incursion from the 1st of May through to the 4th of May. Please pay via QKR! by the 6th of April.

 Science can happen in all sorts of places. From the kitchen to the bathroom, students explore what happens when we combine different things.....both following a recipe and making some of their own. A fun and lively show, mixing explanation with interactive demonstrations to show case different scientific processes and just how relevant science is to everyday life!

Qkr! is the app that the school is using to accept and payments, such as: Contributions, excursions, incursions and more! We are also trying to reduce the amount of paper used so most permission forms will be on the app. Of Course, if you require a hard copy, one can be collected from the office. Please see the office staff if you need more information about using Qkr! Please follow the link for more details [Mastercard](#)

#### P&C—THANKYOU

**A huge thank you to the P&C for their efforts in organising the easter raffles. We thank you for all your hard work! Congratulations to our 46 winners!**

#### Toy Collection for Wheelchairs for Kids

Next term we will be collecting toys for Wheelchairs for Kids!

Wheelchairs for Kids is a non-profit organisation that develop and build wheelchairs for children with disabilities living in lesser resourced countries. These chairs are all purpose, built for rough terrain and are completely adjustable. Wheelchairs for Kids build and pack up the chairs ready for transport to countries all around the world for children in need. Each one is packed up with a cushion, blanket and as soft toy.

For the first time in 25 years, they are about to run out of plush toys! They are desperately seeking donated, preloved soft cuddly toys for future wheelchair shipments. Toys need to be less that 30cm in height and without batteries.

If you are planning to have a clean out over the holidays, it would be a great time to go through your child's toys and see if you have any that could be donated. We will have a collection bin outside Room 16 (next to the science room). Please bring your donations to school by the end of Week 2, Friday 28<sup>th</sup> April.

#### From the School Nurse

Body Image— Tips for helping your child have a healthy body weight and a healthy body Image:

- Be a positive role model and encourage healthy eating and physical activity, by providing healthy meals and snacks and getting active.
- Organising fun, family activities which encourage everyone to be active.
- Help children to see “treat” foods, such as lollies, cakes, chips and biscuits and ice cream, as food which should be eaten only occasionally not every day.
- Help your children to understand that there is no such thing as an ideal body shape and that healthy people come in many shapes and sizes.
- Help your children feel special about themselves. Provide rewards and treats which are not food.
- Teach children that a person's value is not determined by how they look.
- Avoid making comments about body weight. Focus on growth, not scales.
- Don't focus on improving health, fitness and having fun.

For more information visit the link : <http://raisingchildren.net.au/>

If you have a concern about your child's health development or well being please contact me on Caroline Turich—[caroline.turich@health.wa.gov.au](mailto:caroline.turich@health.wa.gov.au)

## KABOOM INCURSION

*All students from Pre-Primary to Year 6 attended the Kaboom Percussion incursion last Friday! The students feedback was that it was "the best incursion I have seen". - Everly from Pre-Primary.*

### Updating Student Information

Parents, it is essential to inform the school in writing of any changes to school details. This includes:

- \* Change of address/email/ phone numbers
- \* Any changes to your child's medical conditions or medications
- \* Change of parent work arrangements

Please see or email the office for any updates.
